

"We go beyond colour to provide a distinction of quality in our products, and to promote a healthy and safe environment for our internal & external stakeholders"

ENVIRONMENT, HEALTH, SAFETY & QUALITY POLICY FRAMEWORK

Prominent Paints, a manufacturer and distributor of paints for the local and African market, will deliver products on time meeting our customer expectations. Our vision is to ensure that everyone goes home safe everyday while protecting health and the environment through sustainable solutions.

We will achieve this through our EHS & Quality Policy Guidelines, and we commit to:

- Provide a safe working environment to prevent injury and ill health to our employees, contractors, visitors, neighbours and customers.
- Manage demonstrating leadership in EHS, and Quality to maintain a positive EHS & Quality Culture.
- Implement and communicate our EHS and Quality objectives annually reflecting our commitment to continual improvement in our EHS & Quality performance system.
- Comply with the applicable EHS and Quality Legislation, our internal standards and relevant international standards.
- Consult, inform, train, equip and promote employee and contractor participation on relevant EHS and Quality obligations, risk Identification and risk assessments.
- Eliminate hazards and reduce our EHS & Quality risks, including the prevention of pollution, reducing our carbon footprint, water consumption and waste production.
- Ensure that our products can be developed, produced, distributed, used and disposed of in a safe and environmentally sound manner and advise our customers on their safe use and handling.
